Haidian District, Beijing

Languages & Skills

- 💻 C++, C, Python, Pytorch, Cuda
- ✍ L^AT_EX
- 🗣 Chinese (Mothertongue)
- English (Fluent, IELTS 7.5)
- Japanese (Fluent, N1)
- German (Beginner)
- Korean (Beginner)
- 🛠 PS, PR, Blender, Live2D
Musescore, Kontakt, FL Studios,
Vocaloid

Grade scale: (1) very good \approx 95-100, (2)
good \approx 85-94, (3) satisfactory \approx 75-84, (4)
sufficient \approx 60-74, (5) failed \approx 0-59

EDUCATION

Computer Science, Peking University

September 2021 – June 2025 (Expected)

- **GPA: 3.596** (total), **3.739** (last semester)
- Ranking: Top 40%
- Selected courses: Numerical Methods(93/100), AI Program-
ming(96/100), Computer Networks(90/100), Visual Comput-
ing(86/100), Simulation in CG(93/100)

Dual degree program in Global History, Peking University

September 2022 – June 2025 (Expected)

EXPERIENCE

Research Intern, Technische Universität München

JUNE 2024 – PRESENT, ONSITE SUMMER INTERN

- Exploring novel neural methods for fluid simulation.
 - Introducing Gaussian Splatting into simulation.
 - Supervised by Prof.Thuerey at **Thuerey Group**, TUM.
- Jointly supervised by Prof.Chu at **VCL Lab** (Visual Computing and Learning), PKU.

Research Intern, CVDA Lab, Peking University

MARCH 2023 – JULY 2024, ONSITE

- Building better human motion datasets and metrics for gen-
eration and evaluation tasks.
 - Introducing RLHF into 3d-vision tasks & digital human.
 - Supervised by Prof.Wang and Dr.Zhu at **CVDA Lab** (Com-
puter Vision and Digital Art), PKU.
- **One paper** submitted to NeurIPS24 as first author.

Engineering Intern, Process Integration Ltd. Manchester

OCTOBER 2022 – MARCH 2023, REMOTE

- Attempts to build LLM-based agents for process industry as
an internship project.
 - Implemented an RAG framework to meet realworld de-
mands from industry.
- Jointly supervised & paid by Prof.Yang, PKU.

AWARDS AND HONORS

First Prize, PKU-CPC

June 28th, 2023

- **Team Ranked 7** at Peking University Programming Contest
(PKU-CPC) 2023, sponsored by Citadel.
- Served as team leader.

Silver Medal, CPhO

October 20th, 2020, the 37th Chinese Physics Olympiad

Best Volunteer, Peking University

July 2022, July 2023 and July 2024, awarded 3 times

- Volunteer and leader of a regional branch at Peking Univer-
sity Admissions Office.
- Recognized for outstanding service and leadership.
